Actual number of TOPS students paid (with TOPS Tech Early Start) 55,445

Note: (1) The student count (#) and payment ($) for each school is unduplicated and is derived from the TOPS payments that were made on behalf of students at the institutions. However, students are counted once at each institution, but they can attend multiple institutions within a term/year so the summary totals by system and the total count for the year is a duplicated count. The total unduplicated count for the academic year is reported above as the "Actual number of TOPS Students paid".

(2) The Average Award Amount is calculated using the unduplicated student count for each award level.
