Part VI. Student Financial Assistance—Higher Education Savings

Chapter 1. General Provisions

§101. General Provisions

A. The Louisiana Student Tuition Assistance and Revenue Trust (START Saving) Program was enacted in 1995 to provide a program of savings for future college costs to:

1. help make education affordable and accessible to all citizens of Louisiana;
2. assist in the maintenance of state institutions of postsecondary education by helping to provide a more stable financial base to these institutions;
3. provide the citizens of Louisiana with financing assistance for education and protection against rising postsecondary education costs, to encourage savings to enhance the ability of citizens to obtain access to institutions of postsecondary education;
4. encourage academic excellence, to promote a well-educated and financially secure population to the ultimate benefit of all citizens of the state; and
5. encourage recognition that financing an education is an investment in the future.

B. The START Saving Program establishes education savings accounts (ESAs) by individuals, groups, or organizations with provisions for routine deposits of funds to cover the future educational costs of a designated beneficiary.

1. In addition to earning regular interest at competitive rates, certain accounts are also eligible for earnings enhancements (EEs) provided by the state to help offset the beneficiary's cost of qualified higher education expenses.

2. The EE amount is determined by the account owner's classification, annual federal adjusted gross income, and total annual deposits of principal.

§307. Allocation of Earnings Enhancements (EEs)

A. EEs are state-appropriated funds allocated to an ESA on behalf of the beneficiary named in the account.

1.a. The EEs for account owners who are classified under §303.A.1, 2 and 3 are calculated based upon the account owner's annual federal adjusted gross income for the year immediately preceding the year for which the beneficiary of the account is being considered for EEs and the account owner's total annual deposits of principal.

b. The EEs for account owners who are classified under §303.A.6 are calculated based:

i. upon the beneficiary's family's annual federal adjusted gross income for the year immediately preceding the year for which the beneficiary of the account is being considered for EEs and the account owner's total annual deposits of principal; or

ii. if the beneficiary is a ward of the court, using the highest EE available and the account owner's total annual deposits of principal.

2. Although allocated to individual accounts, EEs are state funds and shall be held in an escrow account maintained by the state treasurer until disbursed to pay qualified higher education expenses at an eligible education institution as set forth in §307.G.

B. Providing Proof of Annual Federal Adjusted Gross Income.

1.a. For account owners who are classified under §303.A.1, 2, or 3 (does not include legal entities nor other persons classified as account owners under §303.A.6), the account owner's annual federal adjusted gross income for the year immediately preceding the year for which the beneficiary of the account is being considered for EEs is used in computing the annual EE allocation.

b. For account owners who are classified under §303.A.6, the beneficiary's family's annual federal adjusted gross income for the year immediately preceding the year for which the beneficiary of the account is being considered for EEs is used in computing the annual EEs or proof that the beneficiary is a ward of the court.

2.a. To be eligible in any given year for EEs in accordance with §307.D, the account owner of an ESA classified under §303.A.1, 2, 3, or 4 must:

i. authorize the LATTA to access the account owner's state tax return filed with the Louisiana Department

EDUCATION

of Revenue for the purpose of obtaining the account owner's federal adjusted gross income; or

ii provide the LATTA a copy of the account owner's federal or state income tax return filed for the year immediately preceding the year in which the beneficiary of the account is being considered for EEs.

b. To be eligible in any given year for EEs in accordance with §307.D, the account owner of an ESA classified under §303.A.6 must:

i. provide authorization from the beneficiary's family for the LATTA to access the beneficiary's family's state tax return filed with the Louisiana Department of Revenue for the purpose of obtaining the federal adjusted gross income of the beneficiary's family; or

ii. provide the LATTA a copy of the beneficiary's family's federal or state income tax return filed for the year immediately preceding the year in which the beneficiary of the account is being considered for EEs; or

iii. provide documentation establishing that the beneficiary is a ward of the court.

3.a. In completing the owner's agreement, account owners who are classified under §303.A.1, 2, or 3 (does not include legal entities or other persons classified as account owners under §303.A.6) authorize the LATTA to access their records with the Louisiana Department of Revenue for the purpose of verifying the account owners' federal adjusted gross income. In the event the account owner does not file tax information with the Louisiana Department of Revenue, they must provide the LATTA with:

i. a copy of the form filed with the Internal Revenue Service; or

ii. a statement as to why no income tax filing was required of the account owner.

b. In completing the owner's agreement, account owners who are classified under §303.A.6 provide authorization from the beneficiary's family for the LATTA to access their records with the Louisiana Department of Revenue for the purpose of verifying the beneficiary's family's federal adjusted gross income. In the event the beneficiary's family does not file tax information with the Louisiana Department of Revenue, the beneficiary's family must provide:

i. a copy of the form filed with the Internal Revenue Service; or

ii. a statement that the beneficiary lives with them, that they provide more than 50 percent of the beneficiary's support and an explanation as to why the beneficiary's family was not required to file an income tax return; or

iii. provide documentation establishing that the beneficiary is a ward of the court.

4. EEs at the rate prescribed in §307.D cannot be allocated to an ESA unless the LATTA has received

verification of an account owner's federal adjusted gross income by the deadline contained in §307.B.5. Interest on EEs will not accrue to the benefit of an ESA until the LATTA has allocated the EEs to the account.

5. If an account owner is classified in §305.A.1 or 2 and the tax documents required by §307.B.2 are not received by February 15 immediately following the year for which the beneficiary of the account is being considered for EEs, as an exception to §307.D, the account shall be allocated EEs for the year being considered at the EE rate shown in §307.D for account owners who are members of the family of the beneficiary who report an adjusted gross income of \$100,000 and above.

6. Example. An account owner has made deposits in a START account for a beneficiary during calendar year 2010 and desires to receive the highest EE rate authorized for those deposits. If the account owner did not file a Louisiana income tax return for the tax year 2009 or is notified by the LATTA that the Louisiana Department of Revenue could not validate his federal adjusted gross income, he must submit the tax documents for tax year 2009 required by §307.B.2.b so that they are received by the LATTA no later than February 15, 2011, or his EE rate will be defaulted to the rate for account owners who are members of the family of the beneficiary who report an adjusted gross income of \$100,000 and above.

C. Earnings Enhancement Rates

1. The EE rates applicable to an ESA under §303.A.1, 2, 3 and 6 are determined by the federal adjusted gross income of the account owner or the beneficiary's family, as applicable, according to the following schedule.

Reported Federal Adjusted Gross Income	Earnings Enhancement Rate
0 to \$29,999	14 percent
\$30,000 to \$44,999	12 percent

\$100,000 and above	2 percent

2. The availability of EEs to be allocated to ESAs is subject to an appropriation by the Louisiana Legislature.

3. In the event that sufficient EEs are not appropriated during any given year, the LATTA shall reduce EE rates, pro rata, as required to limit EEs to the amount appropriated.

D. The EE rates applicable to an ESA established by a person or persons identified in §303.A.4 shall be fixed at the EE rate for account owners who are members of the family of the beneficiary who report an adjusted gross income of \$100,000 and above.

E. An ESA established by an authorized account owner identified in §303.A.5 shall not be eligible for EEs.

F. Restrictions on allocation of EEs to ESAs. The allocation of EEs is limited to ESAs which:

1. have not reached the earnings enhancement cap (see §107); and

2. have an account owner who falls under one of the classifications described in §303.A.1, 2, 3, 4, or 6.

I. Restriction on Use of Earnings Enhancements

1. EEs, and any interest which may accrue thereon, may only be expended in payment of the beneficiary's qualified higher education expenses, or a portion thereof, at an eligible educational institution.

2. EEs, although allocated to a beneficiary's account and reported on the account owner's annual statement, are assets of the state of Louisiana and are not the property of the account owner until disbursed to pay a beneficiary's qualified higher education expenses at an eligible education institution.

4. If there is more than one account with the same beneficiary, each account owner requesting a disbursement must complete a request for disbursement and the

disbursements shall be made from each account, in turn, in the order the disbursement requests were received.

5. Disbursements from all accounts with the same beneficiary shall not exceed the qualified higher education expenses of the beneficiary for the school attended.

6. Disbursements may be made to the eligible educational institution, account owner, and/or beneficiary. If all of the disbursement is made to the account owner and/or the beneficiary and LOSFA determines that the beneficiary is not enrolled in an eligible educational institution during the semester or term for which the disbursement was intended, LOSFA shall notify the account owner that the disbursement will constitute a refund for state and federal income tax purposes unless returned to the START account. If the disbursement is not returned to the account within 60 days of the original notice, LOSFA shall recover the amount of the EEs and interest thereon included in the disbursement from any principal and interest remaining in the account, and, in the authority's sole discretion, may refund any balance remaining thereafter and close the account.

7. Disbursements from investment options with variable earnings shall be assigned a trade date of one business day after the business day of receipt of the transfer request.

B. Rate of Expenditure

1. As authorized by the account owner, the amount to be disbursed from an account shall be drawn from deposits (including earnings on deposits) and EEs (including earnings on EEs) in the same ratio as these funds bear to the total value of the account as of the date of the disbursement.

2. The account owner may not withdraw an amount in excess of the beneficiary's qualified higher education expenses for a specific term of enrollment or the value of the account, whichever is less.

C. Payments to Eligible Educational Institutions

1. Upon the beneficiary's enrollment and the institution's receipt of a START disbursement, the institution may credit the student's account. Should the amount received exceed the amount owed to the institution, the institution shall disburse the balance to the beneficiary, unless the beneficiary directs otherwise.

2. If the designated beneficiary of an ESA account enrolls, but fails to attend or withdraws from the institution prior to the end of the educational term and disbursements from the ESA were made to the eligible educational institution to pay all or part of his qualified higher education expenses for that educational term, an institutional refund to the ESA may be required.

3. If any refund is due the beneficiary from the eligible educational institution, a pro rata share of any refund of qualified higher education expenses equal to that portion of the qualified higher education expenses paid by disbursements from the ESA shall be made by the eligible educational institution to the LATTA.

4. The LATTA will credit any refunded amount to the appropriate ESA.

D. Advance Enrollment. A beneficiary may enroll in an eligible educational institution prior to his scheduled date of first-enrollment (see §107) and utilize ESA funds; however, a beneficiary may not utilize funds from an ESA prior to one year from the date the beneficiary made the first deposit opening the account.

E. Part-Time Attendance and Nonconsecutive Enrollment. A beneficiary may utilize funds in an ESA for enrollments which are nonconsecutive and for part-time attendance at an eligible educational institution, including enrollment in college classes while still in high school. Room and board is only a qualified higher education expense for students who are enrolled at least half time; however, room and board is not a qualified higher education expense for students who are enrolled in college classes while still in high school.
