PROPOSAL:

That the ABLA Advisory Council consider rulemaking to amend the ABLA Program rules to implement the SECURE 2.0 Act of 2022.

BACKGROUND:

The Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) was signed into law on December 29, 2022, as part of the Consolidation Appropriations Act of 2023. It made several changes to federal income tax laws, including one change to Internal Revenue Code (IRC) Section 529A (the Achieving A Better Life Experience Act (ABLE)).

When first passed, the ABLA Act required that an individual must have been diagnosed with a qualifying disability prior to attaining the age of 26. SECURE 2.0 amended this age requirement by increasing it to age 46 beginning with tax years beginning on or after December 31, 2025. Section 507 of the attached rulemaking implements this amendment.

The proposed rule changes are attached. New language is underlined and deleted language is struck through.

COST:

There is no cost associated with this proposal other than those nominal fees associated with the rulemaking process.

RECOMMENDATION:

That the ABLA Advisory Council recommend that the Louisiana Tuition Trust Authority approve the rulemaking to amend the ABLA Program Rules to implement the Secure 2.0 ACT of 2022.
