| <b>TOPICS:</b>         | 2023-2024 GO Grant Allocations  |

The Louisiana Legislature has approved \$70,480,716 for GO Grant Awards for the 2023-2024 award year. Institutions have been allocated an amount based on the same methodology used for 2022-2023. The 2023- 2024 GO Grant Allocation schedule is attached to this bulletin.

The Board of Regent’s GO Grant Framework is outlined in Student Financial Aid Bulletin S2021-01 dated June 3, 2021, which can be found on LOSFA’s website at <https://mylosfa.la.gov/wp-content/uploads/SFA2021-1.pdf>

The following apply during the 2023-2024 academic year:

1. The annual allocation will be used for fall, winter and spring semesters/terms, with no plans to fund summer awards.
2. Due to legislative reporting requirements, it is necessary to continue the fall billing deadline of November 2, 2023 (fall billing corrections deadline is November 16th) and a winter billing deadline of January 18, 2024 (winter billing corrections deadline, February 1). The fall and winter deadlines will also allow LOSFA and Board of Regents to better estimate funding availability for subsequent semesters/terms.
3. Late billings for fall, winter and spring semesters/terms will require approval. Approval is not guaranteed.
4. The spring billing deadline is March 21, 2024, (spring billing corrections deadline is April 11th).
5. Unused funds will be reallocated after the spring billing deadline. Reallocations made to institutions should be used to award students enrolled in the fall and continued to spring or enrolled in the spring who were eligible for but did not receive a GO Grant because the institution used its full annual allocation.
6. **Schools are required to submit a 2023-2024 GO Grant Packaging Policy prior to submitting GO Grant payment requests for Fall 2023. The packaging policy must be submitted no later than August 11, 2023. This policy will be reviewed by LOSFA's Scholarships and Grants Division and its Audit Division. Notification regarding approval of the packaging policy will be sent to each postsecondary school via email.**

In the event of a reallocation of unused funds, the school(s) receiving the reallocated funding will be provided with a deadline to expend the reallocated dollars.
