TOPICS:	GO Youth ChalleNGe Program

Funding for GO Youth ChalleNGe Program is limited for the 2023-24 academic year. Awards will be limited to the fall semester of 2023 for students who meet the GO Youth ChalleNGe Program’s continuing eligibility requirements. We do not anticipate funding capacity for new awardees.

Funding for this program began with the 2018-19 academic year and the first awards were made during the Fall 2018 semester. The original appropriation was \$200,000.00 and was meant to be spent down. We are currently conducting a performance review of this program. A decision will be made, based upon the results of that review, regarding the feasibility of requesting future funding from the Louisiana Legislature.

Please inform staff of the current funding situation regarding the GO Youth ChalleNGe Program.
